Our capabilities

IN-HOUSE

Laser cutting
Sheets · tubes

Bending
Sheets · tubes

Welding & preparation
Laser · MIG
Laser cleaning
Die grinding

Surface finishing
Deburring · grinding
Sanding · polishing
Buffing

Hardware insertion
Self-clinching studs,
nuts & standoffs
Welded studs & nuts

Riveting
Blind rivets
Rivet nuts & studs

Assembly
Final assembly

QC & testing

Packaging & kitting

OUTSOURCED

Anodizing

Powder coating

Zinc & CED coating

Large format machining

3-axis CNC VMC

CNC turning

Motors & Actuators

3D printing

PCB

Other processes available on request.
